

# HOBUKOOLI PARK

The school of natural living

## "NATURAL BUILDING INTENSIVE"

IN FALL 2018

You find more details on our website.

Your spirit and hands will bring the magic into your own world during a full week long natural building course in mid Estonia in autumn 2018.

*"You will learn to make choices based on harmony and build a house using earth, straw and reused wood - from design process to real construction."*
